

	<b>UNION CENTER FIRE COMPANY INC.</b> <b>Best Operating Guidelines</b>	
	<b>Subject: Carbon Monoxide Alarms</b>	<b>BOG Series Operations</b>
		<b>Initiated</b> <b>01/01/04</b>
<b>Approved: Fire Chief Chris Hoyt</b>	<b>Revised</b> <b>03/02/13</b>	

When requested to respond to a Carbon Monoxide alarm without any medical symptoms, Broome County Communications will activate the Officer Pager tones and advise the Officers of the incident. Any available officer will respond with a Multi-Gas meter to the location non-emergency. If the call is reported with medical symptoms, the Fire Company will be dispatched to respond.
