

UNION CENTER FIRE COMPANY AUXILIARY MEETING

July 9, 2012

PRESENT: Kim Greenlee, Wes Miga, Donna Kerila, Ashley Greenlee, Rachel Greenlee

CALLED TO ORDER: 18:45

MINUTES FROM 06/11/12 ACCEPTED.

TREASURER'S REPORT:

None.

OLD BUSINESS:

Picnic - Kim will email the Social Committee, which consists of Dan Kerila and Adrian Green, to get a date set up and offer for the auxiliary to help plan the picnic.

Items requested at prior meetings for kitchen: Nothing has been purchased yet. Kim will send email to Erin and Heather asking for update of status of items.

Badges: Still need Erin to arrange to get County to meeting to get badges made.

Iamresponding: Discussion was held again on how to use it.

Christmas Party: Haven't heard back from Erin as to whether or not she approached the Board about having a live band or not.

NEW BUSINESS:

We welcomed our official, new members, Ashley Greenlee and Rachel Greenlee.

Ordering auxiliary shirts: Ashley Greenlee made up eight different designs for the patch or symbol for on the shirts. A vote was held by members at the meeting, and a design was chosen. A copy of it will be attached. An email will be sent out to Erin asking for her to contact the Board to see if the design needs to be approved by them before we order the shirts. Donna and Kim will do some research at Calleo in Endicott to see what all we need to get some t-shirts ordered and prices, etc.

Auxiliary response to fire on Buffalo Street: Discussion was held regarding everything that we thought went smoothly and also on everything that could be improved on for next call. One thing discussed is that we need to have open dialog with the Incident Command Person as he is in charge of the scene to find out where we need to set up table, when to tear down and pack up everything to leave the scene, etc. Also, if a family member comes to an auxiliary member to ask for something we don't have (such as baby bottle, etc.), we need to let Incident Command Person know. Discussion was had about needing supplies that we've run out of since the fire. Kim reported that she already emailed both Erin and Heather a list of items we need. Another insulated thermos is needed for carrying coffee. Someone needs to check to see if there is another one up at Station 2.

TIME ADJOURNED: 20:36

NEXT MEETING: August 20, 2012 at 18:30 at Station 1.

Respectfully submitted by **Kim Greenlee**
