**OSHA training- Problems are still occurring with trying to**

get in to the Centre site. It was suggested that names entered incorrectly could be the problem. Call Bob Bealo on this.

**AIRPORT TRAINING:** Barrilyn reported that she was an unresponsive patient. Despite an issue with the handling of her, she thought the training was interesting, fun and they were well cared for.

**Chicken BBQ:** The Auxiliary took inventory of the available items in the kitchen and in the upper part of the station. Purchasing additional items will be June 11, 18:30. We will be meeting at Station 1. Bill Dieffenbacher offered the use of his truck and Kim Greenlee offered Gordon Greenlees' truck. Both truck beds are covered.

It was also decided to add one more dozen to the dinner rolls.

It was noted that Choconut Centers fire station has an unused fire pit near it, and there was discussion on how and if it can be acquired.

A second grill was rented at Floyds Rental.

We will have water to purchase and offer the station soda machine should someone want soda.

Ashley announced that extra flyers are available in both stations should Company members want to post these where they can.

We will be using different color tickets for the whole and half chicken purchases. We will not recycle them when we have run out of them.

**We are also still planning on asking for bake goods to be sold at the bake sale during the BBQ. We will accept the use of the slushy machine and forgo the additional free cookies along with it.
