

**UNION CENTER FIRE COMPANY**  
**COMPANY MEETING**

June 6, 2016

**CANCELED**

Just as the board meeting was about to begin, a mutual aid call came in for a house fire in Endicott. Everybody left the board meeting to go to the mutual aid call and did not return in time to conduct the company meeting.

We would like to sincerely thank B. Dieffenbacher and the members of the Auxiliary and other company members who were present when our sponsored Little League team arrived as scheduled. They accepted a plaque presented to us by the Little League team members (on display in the training room at Station 1), showed the boys around the station, and took pictures. Thank you for representing UCFC.

**NEXT MEETING:** July 11, 2016 (first Monday of the month is July 4th)

Respectfully submitted, *Karen S. Miga*
